Dear Mr. Peter Venegas:

What a success! The City of Laredo and surrounding cities have now enjoyed our first Annual FireFest. The Laredo Fire Fighters Association, Local 1390 has received great recognition for all efforts and the event is getting enthusiastic reviews.

On behalf of the Special Event Committee, Local 1390, we want to extend a heart-felt **THANK YOU** to you, in helping us make this event a success. It was the vision of the Board and the Special Event Committee to entertain and provide a much-needed festival for all the people to enjoy in a comfortable environment. Your generous contribution helped make our vision a reality by helping lowering the cost of holding the FireFest. Helping the Local 1390 in this event, made it possible for our Welfare Fund and Scholarship Fund to continue donating and helping our community. Furthermore, four non-profit organizations will benefit from this event. Thanks to your very appreciative sponsorship, we look forward on working on our second annual event, which promises to be bigger and more dynamic.

As we continue organizing other events, please know that partnerships with our sponsors are vital to the success of The Laredo Fire Fighters Association, Local 1390. You are truly appreciated. Thanks again.

Sincerely,

Special Event Committee for The Laredo Fire Fighters Association
